INSTRUCTIONS:

1. Refer to the DC-ADM 804 for procedures on the inmate grievance system.
2. State your grievance in Block A in a brief and understandable manner
3. List in Block B any actions you may have taken to resolve this matter. Be sure to include the identity of staff members you have contacted.

A. Provide a brief, clear statement of your grievance. State all relief that you are seeking. Additional paper may be used, maximum two pages. (One DC-804 Part 1 form and one, one-sided 8 1/2" x 11" page).

I am filing this grievance in order to have misconduct #'s A495379 (attached as exhibit A) and A36723 dismissed. If you were to look at misconduct #A495379 and at the highlighted portions of the attached law pertaining thereto (attached as exhibit B) you will see that this misconduct is illegal. Inmate "Clard" the witness who is made reference to in the hearing, examiner's report can prove this fact and will be called upon to do just that in court if these misconducts are not dismissed. I am asking that misconduct # A36723 be dismissed as well because it is for allegedly breaking cell restriction (asking to use staples) which resulted from misconduct #A495379. The timing of this grievance is irrelevant and it will not prevent me from suing you in court if you refuse to answer for procedural reasons. (see attached as exhibit C). My demands are simple, dismiss both misconducts or I will complete the exhaustion process and sue.

Note: I was issued misconduct #A495379 the very next day after this jail received confirmation that I did in fact file my lawsuit. This proves I was issued this misconduct in retaliation for filing my lawsuit as well.

B. List actions taken and staff you have contacted, before submitting this grievance.

I received my appeal response from the PRC on 2/17/05 and I wish to appeal that decision:

- The inmate may appeal the decision to the Superintendent within seven (7) calendar days of receipt of the written PRC decision.
- The appeal shall include a brief statement of the facts relevant to the appeal.
- The text must be legible and presented in a courteous manner.
- The inmate may state any claims concerning alleged violations of the Department directives, regulations, or other law.
- The Superintendent is not required to address issues not raised or improperly raised by the appellant.

Refer to DC ADM 801 misconduct appeal procedures for complete instructions

Below is a brief statement of the facts relevant to my claim(s).

My initial misconduct appeal is this:

I was issued the above misconduct by Lt. McConnell for filing a grievance and a lawsuit. This misconduct was issued in direct violation of my first amendment rights. I signed the misconduct and pay me \$5,000.00 as I will sue.

QRC has dismissed the appeal as untimely. However the timeliness of this appeal is irrelevant see Thomas vs. Woodson, 337 U.S. 720 (1960) (QRC exhaustion is satisfied when prison officials refuse to hear inmates grievances as untimely filed, inasmuch as inmates gave state officers opportunity to address his complaint).

Furthermore, there are two specific reasons why this appeal is being filed late. The first is because I feared further disciplinary punishment would follow my appeal since the misconduct itself was for grieving abuse by officers and by appealing and maintaining these accusations without any evidence proving my innocence to the misconduct allegations. I would again be subjecting myself to just 2 misconducts for this institution claims, lying.

The second reason is because I have just recently obtained exculpatory evidence on 2/6/05 that proves that I am innocent of the charges filed against me in the misconduct. Therefore it was not possible for me to appeal until this evidence prior to 2/6/05.

Refer to DC ADM 801 misconduct appeal procedures for complete instructions

Below is a brief statement of the facts relevant to my claim(s).

The evidence in question is an affidavit from William Clark that proves that Lt. McConnee knowingly lied in the misconduct he gave me and that I am completely innocent of the lying to staff charges against me (see attached). His evidence was not available until now because the hearing examiner refused to allow me to call Clark as a witness at my misconduct hearing and because Clark is located on the other side of the prison which prevented me from speaking with him and obtaining his affidavit.

There is more than enough good cause shown here to excuse the lateness of this appeal and the law clearly states that I may file late. Kindly address this appeal on its merits.

Note: I already filed an appeal to you on this misconduct yesterday because the PRC refused to respond to my appeal for over 3 weeks. Since PRC has now finally responded please disregard the other appeal and address this one in its stead. (also, please see appeal to misconduct # A436113 as well)

Enclosed is the paperwork related to my appeal on misconduct # A495979. As you can see the BRC and the Superintendent refuse to hear my appeals because I did not begin the appeal process within the 15 day time limit. However the delay in the filing of these appeals are not my fault.

As you can see Lt. McConnell stated in my misconduct that inmate Clark "did not support my version of events" and based the lying to staff charge on Clark's statement. I asked to have inmate Clark as a witness at my misconduct hearing to verify this statement but the hearing examiner refused to allow me to call him.

Since I was and still am located on the other side of the prison as Clark I had no way of finding out what Clark told Lt. McConnell during their interview and had no choice but to rely on Lt. McConnell's false statement. After all it was quite possible that Clark was afraid to tell Lt. McConnell the truth because he did not want to suffer the same type of retaliatory abuse that I was forced to endure.

If it hadn't been for Lt. McConnell's false statement I would have appealed the misconduct within the 15 day time frame. Also, if I had known inmate Clark never told Lt. McConnell these things and had I had the affidavit to prove it within those 15 days I would most certainly have appealed.

To have appealed this misconduct without the enclosed affidavit proving that Lt. McConnell had lied I would have subjected myself to more retaliatory misconducts and punishment because S.C.D. Albion staff would have said that the facts contained in my appeals were lies just like

P-42

they did in the misconduct at issue especially if inmate Clark did not support my allegations as Lt. Matonnell said.

Inmate Clark's affidavit is exculpatory evidence that was not available within the 15 day time frame and I just received it on 2/6/05. This evidence proves I was innocent of my misconduct and there was absolutely no way for me to provide it along with one of my appeals prior to that date. Even if I did file an appeal within the 15 day time limit and allowed you to issue me more lying to staff misconducts as a result I would still have had to file this appeal now with this newly discovered evidence in order to obtain relief on my appeals.

There is more than enough good cause here to excuse the lateness of this appeal. Kindly address the appeal on its merit.

Respectfully,

Misconduct No. A495879

Dear Mr. Kerwin:

This is in response to your appeal to final review of the above numbered misconduct.

In accordance with DC-ADM 801, VI, L, 3, I have reviewed the entire record of this misconduct; including the misconduct report, the hearing report and related documents, your appeal to the Program Review Committee and their response, your appeal to the Superintendent and his response. Under date of February 17, 2005, Superintendent Brooks dismissed your appeal of the PRC decision as untimely. Consequently, you have failed to complete appeal to the Superintendent as required pursuant to DC-ADM 801. Accordingly, your appeal to final review cannot be accepted and must be dismissed. Review of the records you enclosed reveals that this misconduct occurred eighteen (18) months ago, in August 2003. In addition, the misconduct report also included interviews of four (4) Correctional Officers.

Sincerely,
